# About us

**Novo Cosmos Printing and Designing Services** is a limited liability company and one of the largest in the Advertising & Printing industry in the United Arab Emirates. Novo Cosmos Printing and Designing Services is a full-fledged Design & Production House with a strong foundation in Media and Market Research. We are different from others as we believe creativity should follow strategy

Our backbone structure is our own production unit that operates in the UAE, enabling us to offer better pricing, control of production, and most importantly, a higher degree of flexibility that our clients enjoy. We support clients with an advertising plan in all areas of promotions. We take pleasure in associating with you in your success
